

Brazos Transit District

Addendum #1

RFP#: 05072017

Date: 5/22/2017

- The purpose of this addendum is to clarify the following questions:
 1. What is the budget available for this project?
 - \$95,000
 2. Please provide specifications for any existing hardware currently on the buses: make, model, brand, who is providing it, and age of that system.
 - Mobile Data Terminals from Trapeze, they are Ranger 4's, all of the units we have were purchased within the last year. We do not have APC's or electronic fareboxes.
 3. Is there Wi-Fi available on the buses?
 - No there is not Wi-Fi on the buses.
 4. There needs to be text capabilities so that non-smartphone users can use the features of tracking the buses.
 5. Ability to have notifications when there are route changes, emergencies or any other necessary notifications.
 6. What is the deadline for this project to be completed?
 - August 31, 2017
